

The image is a dark, atmospheric illustration of a forest. The trees are gnarled and twisted, with dark brown trunks and branches. Some branches have small, bright orange leaves. The background is a gradient of dark blue and grey, with a bright, glowing light source in the distance, creating a misty or foggy atmosphere. The overall mood is mysterious and somewhat ominous. The text "DON'T FIXATE ON THE LIGHT!" is written in white, bold, capital letters across the bottom center of the image.
