

DCCC

There are many things to know about the number 800.
Some are mathematical: $5 \times 5 \times 2 \times 2 \times 2 \times 2 \times 2 = 800$.
Some of the are historical. Charlemagne became Holy Roman Emperor on Christmas Day, December 25, 800 a.d.
Others are numerological. Business oriented people are associated with 800 because of its symbolic energy.

My special connection to this number:
this is poster no. 800.
