

Roy Batty's Speech

Blade Runner 1982

ORIGINAL

I've known adventures, seen places you people will never see. I've been Offworld and back. Frontiers. I've stood on the back deck of a blinker bound for the Plutition Camps with sweat in my eyes watching stars fight on the shoulder of Orion. I've felt wind in my hair, riding test boats off the black galaxies and seen an attack fleet burn like a match and disappear. I've seen it, felt it!

FINAL

I've seen things...seen things you little people wouldn't believe. Attack ships on fire off the shoulder of Orion, bright as magnesium. I rode on the back decks of a blinker and watched C-beams glitter in the dark near the Tannhauser Gate. All those moments...they'll be gone.
