

TORTURED GENIUS

"I writhe when I see myself on the screen. I'm such a dreadfully clumsy hulking image. I say to myself, "Why doesn't he get off? Why doesn't he get off?" I mean, I look like such an idiot. Some fat awkward thing dredged up from some third-rate drama company. I must stop thinking about it, otherwise I shan't be able to go on working."

~ Peter Sellers 1925-1980
English actor and comedian
