

Losing a Fight

RESISTING PREJUDICE

Jordan Benedict Jr. [wealthy]

I'm a failure. Nothing has turned out like I planned....

Leslie Benedict [wife]

Do you want to know something, Jordan? I think you're great. Oh, don't ask me why. There's some things that are difficult to explain. You know all that fine riding we used to do when all that fancy roping and all that glamorous stuff you did to dazzle me. Oh, it was impressive. But none of it ever made you quite as big of a man to me as you were on the floor at Sarge's hamburger joint. When you tumbled rearward and landed crashing into that pile of dirty dishes, you were at last my hero. That's what you always wanted to be, you know.
